

Richard H. Heiserman, FCSI

“For your diligent service to the Institute by providing outstanding leadership to the Portland Chapter, the Northwest Region, and as Institute Education Committee member and chairman; for articulating the value of CSI through education of the construction industry; and for your tireless travel to teach, mentor, and promote MasterFormat 2004 and the Project Resource Manual, you are advanced to Fellowship in the Institute on the 1st day of April 2006.”
Las Vegas, Nevada

RICHARD HEISERMAN was born in Eugene, Oregon. As a native Oregonian, Rick has spent his entire life living and working in the state of Oregon. He attended the University of Oregon (Go Ducks!) and received a Bachelor of Architecture degree. He is a licensed Architect.

Rick is currently a Senior Associate with Ankrom Moisan Architects in Portland, Oregon. He serves as Project Manager on projects ranging in size from \$25 to \$60 million dollars. He is a specifications writer for the firm and continues to mentor younger staff on coordination of drawings and specifications.

Rick has been committed to continuing education and leadership training programs at Portland Chapter events, architectural and engineering firms in the Portland area and the Northwest. He has made notable contributions to the advancement of construction technology through his participation and leadership on the City of Portland Joint codes Committee. His leadership on this committee has enabled the City to implement numerous Code interpretations.

He has served CSI at the Chapter and Region level as well as serving on the Institute Board of Directors and a number of Institute Committees. He continues to serve the Portland Chapter as an instructor for the CDT and CCCA candidates.
