

Kenneth J. Moore, FCSI

“In recognition of your dedicated service in the development of Institute educational programs and your involvement in the promotion of continuing education in your Region, you are advanced to Fellowship in the Institute on the 26th day of June, 1983.”
Kansas City, Missouri

KENNETH J. MOORE was born at East Alton, Illinois in 1934. He attended Southern Illinois University in 1953 and was employed as a junior draftsman while taking night classes. In 1956 he began work for Bank Building & Equipment Corporation in St. Louis.

In 1967 he was employed with the design/build firm of MBA Engineers, Inc., in St. Louis as a spec writer for all their work and contract administrator for design/build projects. He later joined another firm as spec writer and contract administrator on a variety of projects including Lambert Airport, city, state, and federal projects.

In 1977 he came to Sverdrup & Parcel, Inc. as a specifications writer and is still with them, having received his 20 year pin in June 1997. He has prepared project manuals for correctional facilities, justice centers, aviation, educational, industrial, food and beverage facilities, and light rail.

Moore joined CSI's St. Louis Chapter in 1968 and joined the Central Illinois Chapter in 1987. He participated in the University of Wisconsin "Construction Documents and Specifications" courses, planning seminars, manning a CSI informational table top, and speaking at some of the programs.
