

Anne Marie Roeper, FCSI

*“For your outstanding contributions in service to the Institute; for sharing your ideas and allowing others to share theirs; for your perpetual promotion of CSI membership value; for making CSI fun and being a natural recruiter; for your commitment and dedication to delivering a better CSI experience; and for your service to the Columbus, Orlando and Jacksonville Chapters and the Great Lakes and Southeast Regions, you are advanced to Fellowship in the Institute on the 14th day September 2017”
Providence, Rhode Island*

ANNE MARIE ROEPER started her career in CSI in 1997 as a requirement for her job at that time. Little did she know that exactly 20 years later she would be receiving the honor of Fellowship.

With an attitude of “I guess I have to do this,” Anne joined the Columbus Ohio Chapter of CSI. She attended every lunch meeting she could and found it really didn’t get her anywhere, so she started attending board meetings as an observer. Of course, that allowed board members to volunteer her for things, and soon her CSI career had its start.

Anne worked her way through various committee chair positions, and when an opening on a region committee became available, well, she was volunteered for that.

Anne, like many others before her, worked her way up through the ranks until unsuspectingly she was asked by

Dave Proudfit to serve on the Jury of Fellows as a non-Fellow. Anne says, “I blame him for all of this!” And thus began her Institute involvement.

Anne is delighted to have been recognized with a President’s plaque, the Robert P. Brosseau Award for the Advancement of CSI as well and the Southeast Region Charles J. Huckleberry Memorial Award.

Anne is proud of her work on the Product Rep Practice Guide and the Honors & Awards Guide. She is honored to have served three chapters, two regions, and the Institute. She will always recognize CSI for the advancement of her career and especially those friends and colleagues who have mentored her along the way.
