

Paulette K. Salisbury, FCSI

“For your outstanding service to the Institute through your involvement with the West Region and Tri-Region conferences; for your tireless dedication to the San Francisco Chapter; for your notable contributions while serving on the Institute Membership, Marketing/Membership, and Awards Committees; and for your service to the construction industry with your numerous educational presentations, you are advanced to Fellowship in the Institute on the 23rd day of April 2004.”
Chicago, Illinois

From the time PAULETTE SALISBURY joined CSI in 1986, she has been an enthusiastic and active member. Ever the dedicated volunteer, Paulette has taken on responsibilities within the San Francisco Chapter moving up to being president in 1995. The West Region has benefited from her leadership as Director and Region Conference Planning Chairman. She now serves as Institute Director, Industry and Vice- President of the Region.

Paulette's unique talent for creating a vision and inspiring others to join her has made those dreams a reality. Her ability to motivate and lead is one of her most valuable contributions to CSI. She continues to spark new ideas for programs, promotions and member activities. She has twice served on

the Institute Membership Committee forming lasting friendships with members from around the nation.

Her most significant achievements include forming the San Francisco CSI Foundation, Inc. This non-profit group establishes scholarships and grants for students in the construction professions and furthers the educational goals of CSI.

As a trained educator with a BS in education from the University of Wisconsin- Milwaukee in 1975, Paulette has conducted many educational programs on construction material sciences. In 1984 she obtained a Master's Degree in Business and has since founded her own firm as a professional architectural representative.
