

The Coconut Wireless

A.k.a.: The Chairman's Newsletter to the Fellows 2 June 2001 edition (Rev. 6 June)

One month after the deadline, responses to the survey are still coming in. Nothing has changed except that the percentage of responses increased, the directions indicated in the last newsletter are reinforced, and members with e-mail addresses have increased. This will make communications among the Fellows easier and cheaper. Thanks to the "late comers". It's better late than never.

Add this to your Convention Agenda:

FELLOWS WORKSHOP – THURSDAY, 21(corrected) JUNE 2001, 3:40 TO 5:00 PM

CONVENTION CENTER, Room C-252

Moderator: J. Gregg Borchelt, FCSI, CDT

Member of the Jury of Fellows

I've added the above "Workshop" in addition to the scheduled Fellows Meeting on Friday (6:30 social) 7:00 – 8:15 PM.

This workshop is non-mandatory, informal (no medals), and unofficial.

Anticipating the amount of extra time we may need to discuss some of the topics brought up by the survey, this workshop will allow us the needed time to do the preliminary work. If something concrete comes from this workshop the recommendation(s) will be brought up at the Fellows Meeting on Friday evening for a formal vote. This is a great opportunity for the Fellows to contribute to our future.

We'd like to use our time efficiently. The agenda for this workshop will focus on the establishment of a "vehicle" for the Fellows. If you have suggestions, please send it to:

**Mr. J. Gregg Borchelt, FCSI, CDT
Brick Industry Association
11490 Commerce Park Drive, #300
Reston VA 20191-1525
e-mail: borchelt@bia.org**

This is my last letter to all of you. I'll be off the Jury of Fellows at the end of this month. Thanks for your support.

With fond Aloha,

**Gilman Hu
Chairman, Jury of Fellows – 2001**

P.S. If you are receiving this through the US Postal Mail Service, it is because I don't have your e-mail address. If you or even someone in your office or household HAVE an e-mail address, please contact me at

gilmanhu@Compuserve.com

This will update the mailing list, bring future cost down, deliver messages to you faster and reduce work for the next person handling Fellows communications.

P.P.S. William Brightbill, FCSI, has a few medal ribbons for those who need replacement. He'll be at the Convention. If you contact him in advance he'll bring your order and rendezvous with you to keep handling to a minimum. I don't have a price. Contact him at: e-mail: bill302@msn.com
